AURES Technologies to launch a share buyback

On 27 November 2018, AURES Technologies signed a mandate with an independent financial services provider to buy back its own shares. The buyback, which comes within the scope of the Company's share buyback programme, is limited to a maximum of 10% of the share capital over a period of one year as from the date of signing.

The buyback price may not exceed €80, the maximum price set by the Combined General Meeting of 20 June 2018.

The shares bought back will be used to cover existing or future employee share ownership plans.

Details of the share buyback programme approved at the Combined General Meeting of 20 June 2018 can be found on the Company's website (http://www.ares-pos.fr/infos_finances/information-reglementee/descriptif-du-programme-de-rachat-dactions/).

About the AURES Group

Founded in 1989 and listed on Euronext since 1999, AURES is an IT manufacturer providing a complete range of hardware solutions for the POS market (point of sale and services, retail, hospitality, etc.) and the kiosk sector (interactive terminals and integration).

The AURES Group has a global presence with its headquarters in France, subsidiaries in the UK, Germany, Australia and the US, and a network of partners, distributors and resellers in over 75 other countries.

At the end of 2018, AURES acquired US company Retail Technology Group Inc. (RTG), a major North American player in POS maintenance (hardware and software) and IT services.

In 2018, the Group's revenue topped the symbolic €100 million mark for the first time.
